Wolverines Split Weekend Games; At Reno On Friday

Local Team Will Be Home Saturday To Meet Stewart

The TnT Wolverines back into action after a two week layoff for the Christmas holiday gained a split in two games last weekend bowing to "AA" Hawthorne 69-34 and topping another "AA" club Yerington 54-52, in a thrilling overtime game, to even up their season record at 3-3 for six non-conference games.

Friday night the Wolverines showing the effects of a two week layoff without any practice and minus the service of three of their regulars, Doug Wilson, Wes Ball and Berger Nelson were as cold as the Truckee weather as they managed to hit only 11 buckets from the field and 12 from the free throw line while Hawthorne was getting 23 from the field and 23 from the free throw line to top the Wolverines 69-34. High point man for the evening was Hermanson of the winners with 16 counters while Vaughan was high for the losers with nine.

Saturday the Wolverines motored to Yerington to take on another "AA" club, last year's zone runner-ups, the Yerington Lions and they topped the Lions 54-52 in an overtime game.

The Wolverines still showing the effects of their long layoff were unable to get going and trailing midway through the second quarter by a 15 to eight score finally caught fire and with Vaughan connecting on two from the field and two free throws, and Cooper hitting a long set from the corner and Dean Holbrook adding two fro mthe free throw line the Wolverines pulled up to within three points as they trailed at intermission by a 21-18 score.

In the three-minute overtime Sacchinni hit on a long to put the Lions ahead 50-48. Cooper went to the free throw line, missed the first but made the second to make it 50-49 Yerington, then Vaughan went to the free throw line hit on two and put the Wolverines ahead once again 51-50 but Sacchinni came right back with another long to put the Lions ahead 52-51. With 16 seconds left in the game Vaughan hit on a free throw to tie it up, an attempted shot by Hawthorne was no good Cooper took the rebound, drove down the floor to sink a lay-up and the game ended 54-52 Tahoe-Truckee. Cooper just out of the hospital after an operation on his leg from a football injury was outstanding as he picked up 21 points and scoring honors for the evening, Vaughan also played his usual fine game as did the rest of the team picking up 15 points, while the high point man for the losers was Sacchinni with 20 points.

In the preliminary game, the TnT Jayvees trailing 27-13 at the half finally caught fire to come on strong in the second half only to lose to the Yerington Cubs, 30-29. High man for the losers was L. J. Robinson with 10 points.

Next action for TnT will be another non-conference game with the Reno Ramblers at Reno this Friday night and they will be back on the home court Saturday night when they open their bid for the conference title by hosting the Stewart Braves in their first league encounter.

Game time will see the JV game start at 6:45 and the Varsity game at 8:15.

PLANE MAKES STOP AT SQUAW VALLEY

The possibility that Squaw Valley may prove to be a suitable base for helioplanes was demonstrated recently when one of the four-place planes landed and took off several times in the valley. The craft was flown in by Dallas Masterson who operate a charter service from San Francisco.

Wayne Poulsen, an experienced TWA pilot and large land-owner in Squaw Valley, said the demonstration was successful. The local man made two flights with the helioplane and declared it landed and took off easily in 312 feet and was not bothered by the snow on the ground, barely making tracks.

Three Members Of One Family Have Birthdays

Three members of the Ray Hintz family celebrated their birthdates within the first week of January, beginning with son Charles on New Year's Day, followed by his sister, Evelyn, on the 3rd and Mrs. Hintz last Sunday.

Other localites celebrating the first month of 1957 are Brian, son of Mr. and Mrs. Ray Smart, whose birthdate was on the 5th, Jimmy Loynd on Sunday. Deborah Lynn, small daughter of Mr. and Mrs. George Zorich of Soda Springs was feted on January 6.

Singles South—

Mr. and Mrs. Erwin Single and sons came back Sunday after a trip through southern California. The family viewed the ruins caused by the fire at Malibu Beach during their travel to points of interest.

Loehr Is Named To Head Board For Next Two Years

H. G. Loehr, supervisor from the fifth district, was named chairman of the Nevada County Board of supervisors for a two-year term at the organization meeting of the group Monday at Nevada City.

LOEHR

Loehr replaces Curtis Clark of Nevada City, who was defeated at the last election by Mosco Smart.

Smart and Tabe Bishop of Grass Valley, who was elected to succeed John Frank, were installed in office during the session.

Loehr is not new at the job of chairman having served four years up until four years ago. He was appointed to serve out the term of the late Warren Odell and then went on to serve two years on his own.

All appointive officers were renamed and standing committees were selected by Chairman Loehr.

Only routine business occupied the meeting which was taken up primarily with the reorganization procedure.

Three Accidents During Past Week

Three outomobile crashes during the past week sent four people to the Tahoe Forest Hospital and injured two others, Sgt. Frank Synder of the California Highway Patrol reported.

Most seriously injured were Mrs. Mary Noen, 51, of Ceres and Floyd H. Gooding, 42, Marysville, who were taken to the hospital by Truckee ambulance after cars driven by Alvin O. Moen and Gooding collided half a mile east of Soda Springs Saturday at 1:45 p.m. Gooding was cited by Patrolman Carroll Maynard for driving without due caution when his car got out of control on the snow-covered road and crashed headon into the Moen car. Neither car was equipped with chains.

Virginia G. Kiser, Tahoe City, suffered minor injuries as did Charles E. Cannon, Palmer, Alaska, when cars driven by Cannon and Kiersten Kiser collided four and a half miles north of Tahoe City on Route 89 last Wednesday. Mrs. Kiser was cited for speeding by Patrolman Maynard.

Donald E. Berger, Richmond, was cited by Patrolman Bud Meixner for driving without due caution on an icy road after his vehicle skidded on the snowy highway three and a half miles west of Truckee Saturday evening and was wrecked. Berger and Charles O'Neil of El Sobrante, were treated at the hospital for injuries.

AIRPORT GROUP TO MEET JANUARY 18

John Corbin, chairman of the district's airport committee, has called a luncheon meeting for Friday, January 18 at Smart's for a discussion of plans for the proposed air field. Members of the committee and others interested are invited to be present. The meeting will be started at noon.

NEW NEON LIGHTS LOCAL CHP OFFICE

Adding to Truckee's "Little White Way," which now extends from Donner Lake to the east end of town, is the new electric sign at the office of the California Highway Patrol.

The new sign is illustrated with the official shield of the CHP and is most attractive. Also added at the office are flood lights which brighten the office area.

Father O'Neill Officiates At Sacramento Wedding

Father Patrick O'Neill of Assumption Catholic Church conducted the solemn high mass last Saturday at the Sacramento wedding of Mr. and Mrs. Douglas Tibbetts of the Wodland district.

More than 1250 guests attended the nuptial rites and following reception.

REPLACE MINISTER

While he and his family are on vacation in southern California, Rev. Wesley Osman will be replaced on the Methodist Church pulpit by Wesley Boyer one Sunday and Lynn Kishbaugh and Victor McLane on the other Sunday.

Junior College To Be Topic At Meet Here On Monday

Superintendent Will Speak Before Local Voters At High School

Albert Bequette, superintendent of schools in Placer county, with jurisdiction over the Tahoe-Truckee Unified School District, is scheduled to speak at a public meeting at 7:30 p.m. Monday, January 14 at the high school in Truckee on the proposed formation of a Sierra College at Auburn.

Bequette, who was directed by the state department of education to call an election on the proposed college district formation, has set January 22 as the date for balloting.

The issue has been hotly contested in the Truckee-Tahoe area. Opponents point out that the college tax rate will be in the neighborhood of 39 cents per $100 assessed valuation, a figure, they say, far in excess of any possible benefits to the area. The enrollment from here of 11 would make up one-fiftieth of the attendance, but taxes from the area would provide approximately one-fifth of the cost.

The local school board has opposed the inclusion of the local district in the proposed college district but without avail. Proponents of the scheme point out that it is necessary to include the whole of Placer county as well as the Tahoe-Truckee Unified District to spread the tax base over a wide area to avoid a burden on the lower part of the county.

Approval by the state board was given following recommendations made by Willard H. Dietrich of Roseville, head of the Sierra College formation group, at a meeting in Chico in November. Bequette has not indicated whether he favors or opposes the college district, or the inclusion of Tahoe-Truckee, and his talk, according to Herbert Obexer, board member, who announced the meeting, will be for the purpose of explanation.

In the meantime, Parent-Teacher groups and others are seeking a big turn-out of voters to oppose the plan at the January 22 election. A majority vote is all that is required and while passage is virtually assured, a strong protest is asked in this area.

TWIN GIRLS ARRIVE AT HOSPITAL HERE

Twin girls and the first children of Mr. and Mrs. Peter Wyckoff were doubly welcomed at Tahoe Forest Hospital upon their arrivals Tuesday morning.

Heidi Lynn made her appearance first at 8:27 a.m., weighing four pounds 12 ounces while her younger sister, Carol Ann, arrived at 8:45 a.m. tipping the scales at five pounds, 9¼ ounces.

The proud father is employed at the U. S. Forest Service laboratory at Soda Springs.

Dr. Ben King was the attending physician.

Roxie Archie Undergoes Operation In Bay Area

Mrs. Roxie Archie is recovering in a San Francisco hospital following an emergency appendectomy performed Monday. The local woman was visiting with friends in San Francisco when she was taken suddenly ill and rushed to the hospital. Her sister, Mrs. James McIver reported today that her condition was good.

Kings Beach Couple Have Baby Daughter

Mr. and Mrs. William Watson of Kings Beach became the parents of a daughter born January 4 at Tahoe Forest Hospital. Tina, as the little girl has been named, weighed a round six pounds, eight ounces upon arrival. Dr. W. Prescott was the attending physician.

TRUCK TAKES DIVE IN TAHOE MISHAP

CAVE ROCK—G. M. Huckins, foreman for Gibbons-Reed Construction Co. on the Cave Rock tunnel job, lost his pickup truck in a spectacular way last week.

Huckins parked his truck near the construction site, slammed the door and walked away. The truck began rolling. Gathering speed it zoomed across U. S. 50, plunged over an almost perpendicular embankment just south of the Rock and disappeared in Lake Tahoe.

SUNBEAMS

By WALTER M. BARRETT

Operators of county snow equipment are running into considerable difficulty with vehicles left parked on streets, especially in the residential areas. As a result, the work is slowed up, streets cannot be properly cleared and traffic hazards are created. Officials asked that the equipment operators be given every possible cooperation since there currently is no county ordinance to enforce the parking regulation, although one is pending. Car owners are asked to keep their vehicles off the streets during and immediately after storms. Parking on the street not only prevents clearing in front of the vehicle's owner's dwelling, but it also prevents his neighbor from enjoying the services being provided. Snow plowing is bad enough under the best conditions, so why not give the crews cooperation.

Athletic Club Will Start Games Here

The Truckee Athletic Club's Basketball League will get under way tonight at the high school gym when the Denney Loggers meet Brown's Cafe and the St. Louis Cafe five will tangle with the American Legion.

Both games promise real interest and a good attendance is anticipated.

Daven Morey, club president, said the league has openings for more teams and asked any group interested to contact him.

GEORGE C. SCHWEIS EXPIRES AT RENO

Funeral services were held in Reno yesterday afternoon for George C. Schweis, 67, for the past 33 years director of the plant industry division of the Nevada Department of Agriculture, and well known here.

Schweis died Monday at a Reno hospital where he had been a patient for five days. He had been in ill health for some time.

He was a native of Gold Hill, born January 22, 1890 and attended Reno schools, graduating from the University of Nevada. His entire career has been with agriculture and he was a member of many national boards where he held offices.

He leaves his wife, the former Mae Mitchell, a son, Frank, of Reno and two daughters, Mrs. Carol Batdorf of Palo Alto and Miss Nancy Schweis of Reno.

14 INCHES OF SNOW FALLS IN STORM HERE

One inch of precipitation was realized from the 14 inches of snow fall in Truckee up to Wednesday morning, according to Henry Toccalini of the U. S. Forest Service. Tuesday night 8 degrees below zero was reported.

Mrs. Maude Gaffield also reported that the temperature had sunk to 24 degrees below zero on Tuesday night at the Flycasters Club and 27 below at Boca.

Hospital Patients

Local surgery patients at Tahoe Forest Hospital on Wednesday included Mrs. Steve Port of Kings Beach, Leslie Grow, foreman at the Sierra Sun and Pete Huega of Tahoe City.

Tony Krasovic of Sugar Bowl, Norden, was treated January 7 for a broken leg.

Robert Cusick of Truckee was also admitted to the hospital Tuesday night following an automobile accident.

COUNTY WILL SHARE HIGHWAY USE TAXES

SACRAMENTO (CNS)—Robert C. Kirkwood, state controller, announced today that Nevada county will receive $21,597.10 as its share of $5,961,9859 in highway users taxes apportioned to the state's 58 counties last month.

California has 1130 miles of coastline, studded with beaches.

River Closure To Be Discussed In Sportsmens Meet

Changes Proposed By State Commission Will Be Discussed

Members of the Truckee Outdoor Sportsmen will meet tomorrow night at Capitol Hall and it is expected they will take up the subject of restrictions on seven miles of the Truckee River and formulate a plan to present the state fish and game commission at the February meeting.

There is no indication as to whether or not the state fish and game commission will accept the recommendation of the Truckee Outdoor Sportsmen and remove the bait restriction on seven miles of the Truckee river from Truckee to Boca for the 1957 fishing season.

The commission received the recommendation, coupled with a request from the Nevada County Board of Supervisors asking that the restriction be lifted at their meeting in Los Angeles last week.

The board of supervisors unanimously adopted the resolution presented by Supervisor H. G. Loehr and wired the commission of its action.

Sportsmen are speculating as to whether or not a no-bait restriction on a five-mile section of the east fork of the Carson in the vicinity of Markleville, contemplated by the commission, will replace the local restriction.

The commission heard a recommendation by Commissioner Carl Wente of San Francisco that the use of any kind of animal product be banned as bait in California. This would include salmon eggs, cheese, horse meat and liver. Wente said he did not anticipate the recommendation would be accepted.

It was also proposed to eliminate motor boats, either inboard or outboard, on small mountain lakes for fishing. The fish and game department was asked to report at the next meeting what is meant by "small" mountain lakes.

All recommendations presented at the Los Angeles meeting will be considered by the commission between now and the Sacramento meeting on February 22 when final action will be taken and the 1957 rules and regulations established.

Local sportsmen are still concerned over the action on their recommendation and plan to give it any necessary support in person at the February 22 session, Charles Osburn, acting club president, declared.

Gordon Butterfields Are Parents Of Daughter

TAHOE CITY—Mr. and Mrs. Gordon Butterfield announce the birth of a baby girl born January 2 at Tahoe Forest Hospital. Little Catherine Suzanne weighed seven pounds and five ounces at birth. This is the first child for the Butterfields.

TAHOE SKIERS TAKE FIRST IN MEETING

TAHOE CITY—Sixteen members of the Tahoe City-Squaw Valley Ski Club returned this weekend with a satisfactory number of firsts and places from the Mammoth Divisional Ski meet at Mammoth, Cal.

Out of 140 contestants from all over California and Nevada, Sandy Fellows, Jimmy Huega, and Greg Moore each took first place in their classes. Details are not available at this moment but several others placed in the first ten of their classes.

Parents accompanving the group were Mr. and Mrs. Tschopp of Sacramento, Mr. and Mrs. Pete Huega, Mr. and Mrs. Wayne Poulsen, Mrs. Robbie Moore, Mr. and Mrs. Wes Donaldson, and Ric Giannini.

HIGHWAY CONTRACT AWARDED TO FIRMS

SACRAMENTO (CNS) — The State Department of Public Works awarded a $3,685,555.55 contract to Fredrickson and Watson Construction Co., and the Ransome Co., Oakland, for the grading and surfacing of 5.8 miles of four-lane divided highway on US 40 between Colfax and Magra Overhead, and for the construction of four bridges and the alteration of an existing steel railroad bridge, Frank B. Durkee, director, announced today.

Highway Detours Discussed In Joint Chamber Meeting

More than 50 members of the Reno and Truckee Chambers of Commerce last night attended a dinner meeting called by President Rex Reid of the local group for a discussion of problems facing the two communities resulting from highwav construction between the two cities during the next two years.

State Senator Harold T. Johnson of Roseville attended the meeting and offered all possible legislative aid to minumize the loss expected from long traffic delavs resulting from the work on Highway 40.

It was proposed that signs be erected at Auburn and Reno giving the time and lengths of closures and designating alternate routes. These latter would be either over the Brockway shortcut and Mount Rose or by way of Route 395 and Sierraville and Hobart Mills, two scenic routes and only a short distance longer than Highway 40.

The Reno delegation was headed by Wayne Hinckley, chamber president with Robert Quinn, chairman of the Reno chamber's transportation committee, leading in the discussions.

While a sum of $350,000 has been budgeted for a detour from Hirschdale to Floriston during the construction period, nothing was provided for the delays on the lower end of the Truckee river canyon.

Hal Welch opened the meeting for the Truckee chamber and it was noted that all but one director was present. The meeting was held at Smarts and members of the Lions Club attended following the regular meeting at Donner Lake Lodge.

Olympic Bills To Be Offered Soon

State Senator Harold T. Johnson of Roseville and Assemblyman Francis Lindsay of Loomis have announced they are prepared to present bills in the 1957 state legislature asking for an additional $2,500.000 to make the 1960 Winter Olympic facilities at Squaw Valley permanent.

Governor Goodwin J. Knight in his message to the legislature Monday included that amount in the budget without specific designation. However, the governor has many times voiced his support for the additional funds and has urged that the site for the games be made into a permanent state park for the future welfare of the state.

The legislature previously appropriated $5,000,000 for the facilities, all of which will be constructed on public lands.

State Director of Finance John M. Peirce has also indicated his whole-hearted support of the permanent state park plan.

"It naturally follows that the necessary financing will be provided to carry out this objective," Peirce said. He indicated the exact figures had not been determined, but he said the facilities will cost "upward of $2 million more."

MOTHER OF LOCAL WOMAN SUCCUMBS

Mr. and Mrs. James Walker returned from Lakeport this week where they attended last rites for Mrs. Walker's mother, Mrs. Lois Klungness who died at her El Cerrito home last Friday, following a lengthy illness.

The deceased has visited her family here in past years, where she has made friends who regret her untimely death.

Mrs. Klungness is also survived by her husband, Harris Klungness, her mother, Mrs. Cora Fiefield of Lakeport and three grandchildren, Terry, Ronnie and Karen Walker.

WATER OUTLOOK IN AREA NOT BRIGHT

RENO—Even with normal precipitation through the rest of the winter, the outlook for northern Nevada streamflow is pessimistic, the weather bureau reported.

It forecast a 75 percent of average flow for Truckee river and a 70 percent flow for Walker and Carson rivers.

Humboldt river will have less than half the flow of last year, the weather bureau added.

Precipitation this fall and winter has been below normal throughout the northern part of the state.

Credit Firm Gives Report Showing Gain For Truckee

"Phenomenal" Growth Of Truckee Shown For Past 10 Years

Still another indication of the healthy development of the eastern end of Nevada County is shown in a report released this week by Dun & Bradstreet.

The report reveals that listing in Truckee went from 51 to 76, a 49 percent gain during the past 10 years from November 1946 to November 1956. At the same time, Grass Valley showed a drop from 247 to 240 listings or a loss of 2.8 percent and Nevada City held its own with 90 listings.

Nevada County realized a 6.15 increase in the number of businesses for the period.

"There are 432 businesses listed this year in Nevada County which is an increase of 25 businesses over 1946," said R. F. Cathcart, District Manager of the San Francisco office of Dun & Bradstreet.

Basing his facts upon the figures in the current November, 1956, Reference Book, Cathcart points out that the city of Truckee recorded phenomenal growth for the 10-year period.

The Reference Book lists only manufacturers, wholesalers, retailers and some service companies, such as gasoline service stations and laundries. It does not include all professional and service businesses such as barber and beauty shops, real estate and stock brokers.

Each Reference Book listing is a condensed summary of the information contained in the Dun & Bradstreet credit report. The report includes a history of the business, a description of what the business does and how it operates, a financial section which usually includes the latest financial statement, and a record of how the concern pays its bills.

Every January concerns in all parts of the United States receive requestss for their annual financial statements. This year the nationwide mail out requests will exceed three million.

The statements become a part of the Dun & Bradstreet credit reports and a credit rating is assigned in the Reference Book. The rating consist of two symbols. The first,a letter of the alphabet which indicates financial strength or capital. The second symbol, a numberal, reflects a composite appraisal of the backgroud, operations, financial stability, and payment record. Each Reference Book listing in a condensed summary of the information contained in the Dun & Bradstreet credit report.

SNOW SHORTAGE DELAYS SKI MEET

Due to a lack of snow, the Northern California Intercollegiate Invitational ski tournament which was originally planned for January 12-14, has been postponed.

The new dates are Feburary 2-3, at the Sugar Bowl and Cisco ski slopes.

Leonard, head ski coach at University of Nevada, was advised that the tournament co-sponsored by Modesto and Sierra Colleges would have been entered by about 40 varsity skiers.

Teams which planned to compete, and doubtless will re-enter for the February 2-3 dates, included the hosts Modesto and Sierra (Auburn) Colleges, University of California, Stanford, UCLA, and University of Nevada.

STEVEN DAVIS FETED AT BIRTHDAY PARTY

Mr. and Mrs. William Davis were hosts last Thursday evening at a dinner and Donner Theater party, given in honor of the 10th birthdate of their son, Steven.

Young schoolmates of the honoree who shared the event included Linda Banyard, Nancy Barth, Marcia Leamon, Judy McGwinn, Sandy Miller, Sandy Davis, Gary Sturcke, David Saroni, Eddie King, Mike Harris, Charles Snyder, Mike Davis.

AREA IN DARKNESS WHEN POWER FAILS

Difficulties on the 110,000-volt line at the Drum powerhouse in the Pacific Gas & Electric Company's system, Sunday evening resulted in the entire eastern side of the Sierra Nevada being plunged into darkness for one hour. The power was off from 6 to 7 p.m. at Truckee, Lake Tahoe and Reno while crews repaired the damage.

DEPUTIES SERVING AS CROSSING GUARD

For the time being, at least, Deputies Sheriff Roy Waters and Emory Lander are serving as crossing guards at the intersection of Highway 40 and Bridge street to protect children crossing the thoroughfare enroute to and from the Truckee elementary school. Sheriff Wayne Brown advised the board of supervisors that he will attempt to have the deputies guard the crossing.

IN THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA STATE OF CALIFORNIA

Thursday, December 13, 1956.
John T. Trauner, Clerk.
Adjourned Meeting.
Wm. J. Cassettari, Dep. D. A.

The meeting was called to order by the Chairman at 10:10 A.M. with the following members being noted as present: Curtis R. Clark, Jerome C. Coughlan, Guy N. Robinson, Henry G. Loehr. Supervisor John L. Frank was noted as absent.

The minutes of the meeting of December 3, 1956 were read to the Board by the Clerk and upon a motion made by Supervisor Robinson, seconded by Supervisor Coughlan and passed unanimously, were approved as read.

Mr. Stanley Halls of the Curnow-Halls Insurance Agency appeared before the Board with Mr. C. Smith, County Road Commissioner, relative to a wrecked 1950 FWD truck belonging to the County. It was the recommendation of the Road Commissioner that the county accept a cash settlement in lieu of repairing said truck. A motion was made by Supervisor Loehr, seconded by Supervisor Robinson and passed unanimously, that the county accept the $4,400.00 cash settlement providing the county retain the wrecked truck for salvage purposes.

A motion was made by Supervisor Loehr, seconded by Supervisor Coughlan and passed unanimously, that the Chairman of the Board be authorized to sign a proof of less statement and a release for the insurance carrier.

A motion was made by Supervisor Loehr, seconded by Supervisor Robinson and passed unanimously directing the Clerk to write a letter to Mr. Lester M. Quincy informing him that the County will accept the roads of a proposed subdivision on the old Dikeman place new Rough and Ready, when and if they are brought up to County specifications and are approved by the Road Commissioner.

Mr. Denis Christin, County Superintendent of Schools appeared before Board concerning the location of the Instructional Material Center and to inform the Board that it will be necessary to transfer necessary funds for the Nevada County share of expenses to his budget at this change-over was not anticipated at budget preparation time. A motion was made by Supervisor Loehr, seconded by Supervisor Robinson that the Auditor effect a transfer of $560.00 from Unappropriated Reserve to Budget Code No. 621 in the Maintenance and Operation Category. Upon a roll call ballot, the following vote was recorded:

Supervisor First District, Aye.
Supervisor Third District, Aye.
Supervisor Fourth District, Aye.
Supervisor Fifth District, Aye.
Supervisor Second District, Absent.

Miss Elma Hecker, County Treasurer appeared before the Board and informed them it would be necessary to provide funds for additional extra help beyond her budget allocation. A motion was made by Supervisor Loehr, seconded by Supervisor Robinson directing the Auditor to transfer the sum of $500.00 from Unappropriated Reserve to Budget Code No. 504 in the extra help category. Upon a roll call ballot, the following vote was recorded.

Supervisor First District, Aye.
Supervisor Third District, Aye.
Supervisor Fourth District, Aye.
Supervisor Fifth District, Aye.
Supervisor Second District, Absent.

Mr. Richard McQuire appeared before the Board requesting the Board to consider adopting a Resolution withdrawing an application for Chapter 47 monies so it could be re-allocated. A motion was made by Supervisor Robinson, seconded by Supervisor Loehr adopting the Resolution. Upon a roll call ballot the following vote was recorded:

Supervisor First District, Aye.
Supervisor Third District, Aye.
Supervisor Fourth District, Aye.
Supervisor Fifth District, Aye.
Supervisor Second District, Absent.

A motion was made by Supervisor Loehr, seconded by Supervisor Coughlan to adopt a resolution concerning the Rattlesnake Road Project. Upon a roll call ballot the following vote was recorded:

Supervisor First District, Aye.
Supervisor Third District, Aye.
Supervisor Fourth District, Aye.
Supervisor Fifth District, Aye.
Supervisor Second District, Absent.

A motion was made by Supervisor Loehr, seconded by Supervisor Coughlan to adopt a resolution concerning the transfer of rights-of-way monies to plans preparation allocation. Upon a roll call ballot the following vote was recorded:

Supervisor First District, Aye.
Supervisor Third District, Aye.
Supervisor Fourth District, Aye.
Supervisor Fifth District, Aye.
Supervisor Second District, Absent.

A motion was made by Supervisor Robinson, seconded by Supervisor Coughlan to adopt a resolution concerning the Wolf-Lime Kiln Road application under Chapter 20 monies. Upon a roll call ballot, the following vote was recorded:

Supervisor First District, Aye.
Supervisor Third District, Aye.
Supervisor Fourth District, Aye.
Supervisor Fifth District, Aye.
Supervisor Second District, Absent.

A motion was made by Supervisor Loehr, seconded by Supervisor Robinson that the eligible employees of the County Hospital be granted pay raises effective January 1, 1957. Upon a roll call ballot, the following vote was recorded:

Supervisor First District, Aye.
Supervisor Third District, Aye.
Supervisor Fourth District, Aye.
Supervisor Fifth District, Aye.
Supervisor Second District, Absent.

At the request of the County Clerk and upon a motion made by Supervisor Loehr, seconded by Supervisor Robinson and passed unanimously, the Board adopted a Resolution of Acceptance whereby certain right-of-way property on Wet Hill was deeded over to the County of Nevada.

A motion was made by Supervisor Loehr, seconded by Supervisor Coughland and passed unanimously that any supervisors desiring to do so can go to the Supervisor's Asssoc. meeting in Sacramento on Dec. 21, 1956 and that the expenses incurred therein be deemed a proper county charge.

At the request of the County Clerk, a motion was made by Supervisor Coughlan, seconded by Supervisor Loehr and passed unanimously allowing the Clerk to attend a conference at Fairfield on January 17th and 18th and that the expensess incurred therein be deemed a proper county charge.

Adjournment is taken at 12:30 for lunch until 1:30 P.M.

Afternoon Session

The Board was called to order by the Chairman at 1:35 P.M. and Supervisor Frank was noted as absent.

Upon a motion made by Supervisor Loehr, seconded by Supervisor Coughlan Ordinance No. 211 was adopted whereby all of the Truckee River situated in the County of Nevada is a public highway for the purpose of fishing therein.

Sheriff Wayne Brown informed the Board that he will attempt to work out a program of supervision with his deputies in the arae of Highways 40 and 89 for the benefit of the school children attending the Donner Trail School.

Mr. Floyd Pond appeared before the Board to notify them that he had appointed M. C. and Geneva Giovanetti as Superintendent and matron of the Juvenile Hall. A motion was made by Supervisor Loehr, seconded by Supervisor Robinson that the Board ratify the appointment. Upon a roll call call-lot, the following vote was recorded:

Supervisor First District, Aye.
Supervisor Third District, Not voting.
Supervisor Fourth District, Not voting.
Supervisor Fifth District, Aye.
Supervisor Second District, Absent.

The motion not receiving the majority of votes cast did not pass.

The Chairman of the Board then called for another ballot and the following vote was recorded on the next ballot:

Supervisor Firsst District, Aye.
Supervisor Third District, Not voting.
Supervisor Fourth District, Not voting.
Supervisor Second District, Absent.

The motion not receiving the majority of vtoes cast did not pass and the matter was deferred until January 3, 1957.

Mr. Charles Smith appeared befor the Board requesting the Board appropriate $6,074.00 from Forest Reserve Funds to apply to the construction of the Tyler-Foote Bridge. Said appropriation being made necessary due to the curtailment of FCDA Funds. A motion was made by Supervisor Coughlan, seconded by Supervisor Robinson that the necessary sum be appropriated. Upon a roll call ballot the following vote was recorded:

Supervisor First District, Aye.
Supervisor Third District, Aye.
Supervisor Fourth District, Aye.
Supervisor Fifth District, Aye.
Supervisor Second District, Absent.

There being no further business to come before the Board, adjournment was taken sine die.

CURTIS R. CLARK
Chairman of the Board of Supervisors.

NEWS NOTES FROM TAHOE

By Naomi McLane
P. O. Box 195, Tahoma

Same Old Dress

License tags, taxes, measles. It looks as if the New Year quickly takes on the same dress as the old. And yet I think, as much as we all love the holiday season, it is a good thing to get back to normal, if there is such a thing.

Rotary Club

Rotary met Tuesday night for a regular business meeting at the Tahoe Inn. Steve Korich presided. This was the first meeting in three weeks since both Christmas and New Years fell on Tuesdays. Next meeting will be as usual at the inn.

PTA Meeting

Mrs. Charles Nielsen wants all parents and other interested persons to remember the PTA meeting to be held at the school January 24. Lynn Kishbaugh will be guest speaker and there will be a panel discussion on "Let's Study the Three R's." This will be a night meeting at 7:30 and fathers especially are urged to attend.

At Hospital

We are very sorry to report that Mrs. Bob Tonini's condition remains unchanged. She is still at the Tahoe Forest Hospital.

Baby Daughter

Gordon and Pat Butterfield have a baby girl—Catherine Suzanne. The little newcomer missed New Years by a day but is nonetheless welcome. She weighed in at seven pounds five ounces.

Attack Disappears

Kim Turner spent New Year's night at the hospital with a suspected attack of appendicitis. Luckily suspicions were wrong but Kim is still a little bit under the weather. She hopes to rejoin her fifth grade classmates very soon.

Tonsils Out

Little Barbara Nielsen had her tonsils out last week. She is doing well and so is her mother who has had her share of hospital visiting these last two months. Mabel Neilsen says that in spite of it all they had a lovely holiday time with Charlie's being able to be home. Her sister and brother-in-law, Mr. and Mrs. S. N. McLaughlin from San Anselmo, spent part of the vcation with them.

Return Home

Jack and Eloise Stowe of Tahoe Campground State Park have just returned from a long weekend visiting friends at the Fremont State Park in San Juan. Of course, Donnie and Cathy Stowe went along with their parents. Eloise works as relief operator at the telephone exchange and startles us all, in a most cheerful manner, by taking our calls at any hour of the day or night.

On East Trip

Mr. and Mrs. Clifford Anderson, long-time residents of Tahoma, have closed their home for a month of two to take care of the home of Mr. and Mrs. Roy Stark on Dollar Hill. The Starks are on vacation visiting friends in Utah and Colorado. They may go as far as Kansas before returning to the lake.

Station Open

Bill Conner's new Chevron gas station is open and doing business. It looks very big and shining and almost hospital-like in its gleaming newness. A demolition crew began work this week to tear down the old station. The property is up for lease, according to Carl Bechdolt, Sr., and building will be done to suit. If nothing else, certainly it a place for a "room with a view!"

Now In Reno

Saw Ronald and June and Jere Grinstead for just a minute Saturday at noon. They have moved to Reno where Ronnie is working now. They will return in April and will certainly be missed until then.

Christening Held

Family and friends gathered Wednesday at the Corpus Christi Church here for the christening of little Lynell Bernadette Bechdolt, daughter of Bill and Bernie Bechdolt. Father Brennen, who left the lake last year to become chaplain at Folsom Prison, returned to conduct this baptismal mass. Mr. and Mrs. Basil Kehoe stood as god-parents for the little girl. Among relatives from a distance were Mr. and Mrs. Victor Marsh from Sacramento. Marsh is Bernie's brother.

Fishing On Lake

In spite of the cold the lake has been still these last weeks. Almost every day sees at least one boat out with an intrepid fisherman or two. Ralph and Helen Rauscher caught a good sized trout the other day—and gave it to Hal and Lillian Farr.

STRICTLY STRICKLAND

By Bill Strickland

Just got back from an area that, believe it or not, snowed all over us for two days. Of course, I'm referring to Mammoth Mountain and the Junior Point Race held last Saturday and Sunday. Considering the lack of snow, for pre-race training up here, our Northern California kids made all of us real proud. On an over all point basis this section has a good lead, and considering Mammoth as a focal point for the southern skiers; so in a way skiing on their own hill, the northern lead should increase in the next two meets which will be held in the northern section. Yosemite on January 19th and 20th, and Dodge Ridge on February 2nd and 3rd.

Individual honors went to Dennis Hogan skiing for, yep, Strickland's unattached. Dennis had a fifth in the downhill for 6 points and a second in the slalom for 9 points. His 15-point total was exceeded only by Dick Mitchell of Mammoth who is also a two-time FWSA representative in the junior nationals. Ronnie Rau, skiing for the same team as Dennis, zipped to a fourth in the downhill for 7 points, so club-wise we started the season with a real gratifying 22 points and second place, behind Mammoth Mountain Ski Club.

Reno Ski Club was third with 17½ points followed by Squaw Valley and the Edelweiss Red Hornets. The above points are in the boys division only.

Starr Walton, skiing unattached this year, ran her usual flawless style to earn 15 points also in the combined scoring.

Kit Schull turned on the steam in his two slalom runs for a fourth, and 7 points. Patsy Nast skiing for the Sugar Bowl Ski Club was in the winners circle as were Dee-Dee Smiley Tschopp.

Jimmy Harris, our four-way team member, tried to run the slalom like a downhill and had a little trouble making all the gates, but given a little time and practice, he'll be right up there.

Our fourth team member, son Bob, didn't do so well. In fact he never got out of the starting gate. He was a victim of a bad spill on his first practice run on Friday and broke both bones in his right leg. The big bone, twice—even though he's out for this season, he still has two more years of junior competition. He does, however, have the distinction of being the first serious, and I hope the last, competitive casualty.

Saw all of our friends of the junior circuit. Wayne and Sandy Poulsen in charge of six small fry and traveling in a new GMC wagon. Blanche Donaldson and Coach Terry Tollefson and Pete Heuga with the Squaw Valley team. Bud and Madelyn Walton with Starr. Jim Baker with his group from Dodge Ridge. Lutz Ayndeter with the Edelweiss Red Hornets. Ernie and Day Tschopp with Dee-Dee and Smiley. As well as Gordy Wren and Jess Ealmons with the Reno club. Reno, incidentally, is really going all out with their youngsters. They had 28 competitors all told, and had to charter a bus to haul them down.

Northern California certainly has some wonderful talent available in her junior skiers, and if given the encouragement and support they deserve, could very well produce our first Olympic champions right from her own back yard. The material is there.

Tahoe Items

Traveling from Tahoe City to their home at Lodi this week are Mr. and Mrs. William Hunter who will return in the early spring.

Mr. and Mrs. P. M. Burroughs of Tahoe Vista are vacation at present in Hemet, Calif. The Snowden Burches of Kings Beach decided to leave Arizona and return to Palm Springs for several months' stay.

LAKE LEVEL

TAHOE CITY—The level of Lake Tahoe Monday stood at 6227.56 feet, with 248 csf of water discharging from the gates. A half inch of snow fell at Tahoe City Sunday to bring the first precipitation for several weeks. Temperatures have ranged from a cool 15 on Monday to a high of 40 last Thursday.

CLUB TO MEET

President Blanche Donaldson of the Tahoe City-Squaw Valley Ski Club announces that important business is at hand for this Friday night's meeting at the Community Hall. She urges that all members and interested persons be present.

KINGS BEACCH—A child health conference is scheduled to be held at the Community Church at Kings Beach on January 18 at 1 p.m. under the auspices of the Placer County Health Department.

TOWN TOPICS from Bank of America

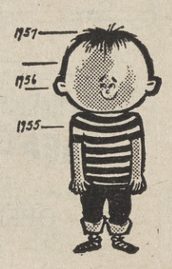
Lee H. Apple
Manager

HOW DO YOU ADD UP A YEAR?



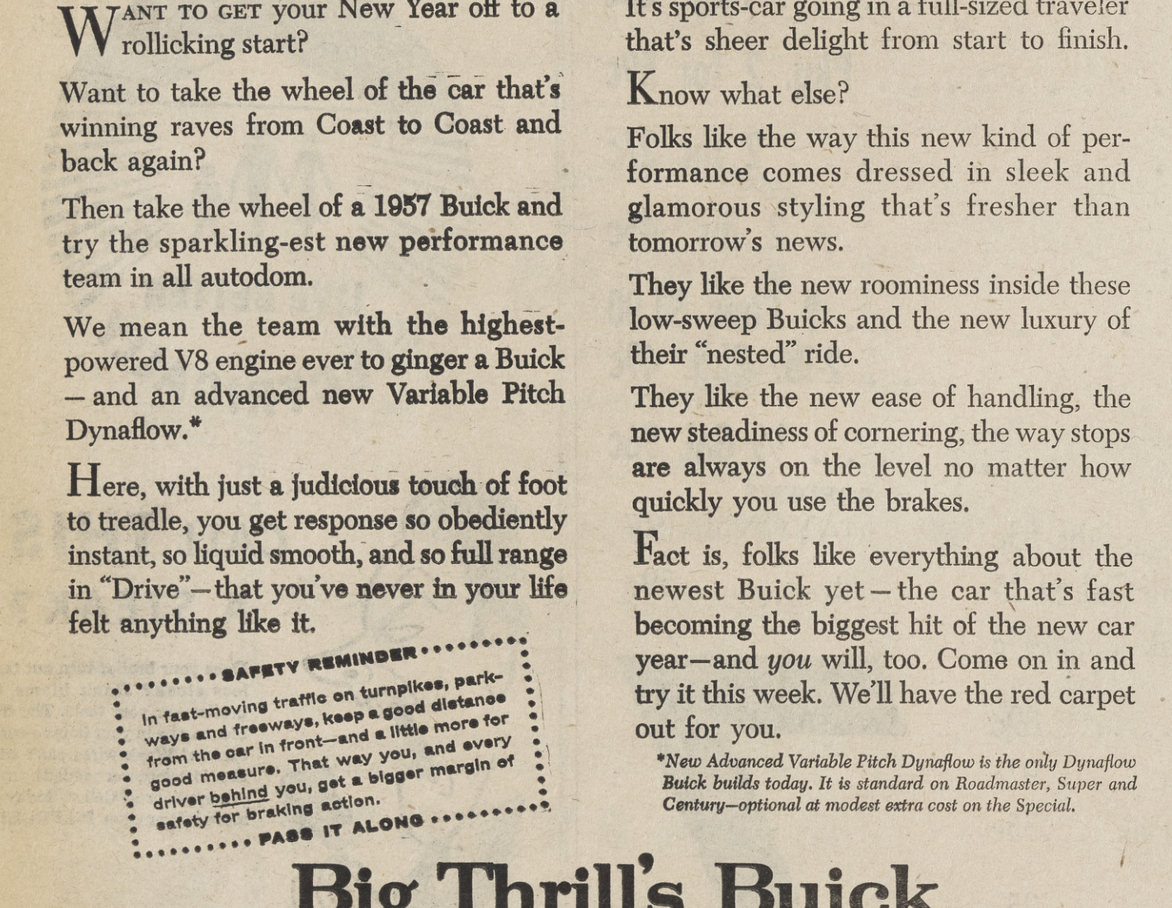
Was '56 the year you bought a new house? Had a baby? Landed a new and better job? Or, if you're a youngster, sprouted up a little taller? Sure—there are lots of different ways you can add up a year. Bank of America likes to measure a year by *how much* it improves its service to Californians. Last year, for example, we made banking more *convenient* for thousands throughout the state by opening 31 new branches—including our 600th, opened last month in San Mateo. As a result, our bank continues to show a healthy growth in resources. Bank of America's year-end statement of condition, dated December 31, showed our dollar resources at an all-time high of $9,991,842,011.70!

MONEY DOESN'T GROW ON TREES?

Well, people are getting a lot of money from *branches* right now. Of course, we mean our Bank of America branch and all the other branches throughout California. You see, Bank of America is now adding a total of more than $30 million in *interest* to its customers' savings accounts. This happens every six months, and makes a tidy addition to savings people are tucking away in Bank of America—for emergency funds, college educations, new homes and other worthwhile future needs. Good reason to open a savings account at our bank, isn't it?

B of A Quiz Corner

DID YOU KNOW THAT if you have a checking account at our bank we will, at your request, *automatically* transfer funds to your savings account at regular intervals. It's a handy, sure way to build up your savings at Bank of America, where you always know your savings are safe . . . available . . . convenient!



Top Click of the New Car Season

WANT TO GET your New Year off to a rollicking start?

Want to take the wheel of the car that's winning raves from Coast to Coast and back again?

Then take the wheel of a 1957 Buick and try the sparkling-est new performance team in all autodom.

We mean the team with the highest-powered V8 engine ever to ginger a Buick—and an advanced new Variable Pitch Dynaflow.*

Here, with just a judicious touch of foot to treadle, you get response so obediently instant, so liquid smooth, and so full range in "Drive"—that you've never in your life felt anything like it.

It's sports-car going in a full-sized traveler that's sheer delight from start to finish.

Know what else?

Folks like the way this new kind of performance comes dressed in sleek and glamorous styling that's fresher than tomorrow's news.

They like the new roominess inside these low-sweep Buicks and the new luxury of their "nested" ride.

They like the new ease of handling, the new steadiness of cornering, the way stops are always on the level no matter how quickly you use the brakes.

Fact is, folks like everything about the newest Buick yet—the car that's fast becoming the biggest hit of the new car year—and *you* will, too. Come on in and try it this week. We'll have the red carpet out for you.

*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

SAFETY REMINDER

In fast-moving traffic on turnpikes, parkways and freeways, keep a good distance from the car in front—and a little more for good measure. That way you, and every driver behind you, get a bigger margin of safety for braking action.

NORTH TAHOE

By JUDGE HARRY CHARRISON

It's a Small World

Now, it would seem that the Sierra Sun even shines in Paris. Eugene Jarvis of the Eugene's Chalet at Crystal Bay, as you know, was in the London Clinic at London, England, with a heart attack, and to his surprise he received a letter from Mr. Van Buren, who lived at Crystal Bay, Nev., a short time ago, telling Gene how sorry he was that he was so sick. He said he would not have known anything about it if he had not seen it in the North Tahoe column in the Sierra Sun which he receives at his address in Paris, France. By the way, Gene is home and doing fine.

The March Of Dimes

Last Wednesday, the 2nd of January, the annual March of Dimes started and by preparations made at the Crystal Bay Club, and by the enormous energy put out by the members of the V.F.W. and Ladies' Auxiliary, this year promises to surpass that of last year, when they were tops of all localities per capita of the whole country. It's really surprising how the dimes mount up into dollars. There is a big bowl over the bar up there, so try and see how many YOU can throw in a bowl. It's fun and gives you a thrill too.

Election

Do n't forget there will be an election on January 15th at the Kings Beach elementary school from 1 p.m. to 6 p.m. This is to determine whether there shall be an indebtedness of $200,000 at 6 percent per annum, for improvements and extensions of a certain public utility, namely, the North Tahoe Public Utility District. However you feel, vote.

Out For Short Stay

Mac and Thelma Burroughs have left for a short stay at Hemet in southern California. Mac needed the rest from his many chores, most of which we knew nothing about. Mac is a regular war horse for our benefit.

Over The Top

Was very happy to see two of our boys who have made good. One was Roy Sprackling, brother of Patricia and also Clayton Spining, and happy to hear Clayton is married to a very sweet girl. Roy is in the navy, and Clayton is in the air force. Two boys to be proud of.

Visiting

Had a nice viist with Florence Vernon, airman first class, who was up to visit her mother and dad for a day or two. Her mother seemed greatly improved from her recent sickness and we hope she will continue that way.

Bereavement

Sorry to have missed telling of the passing of Mrs. J. C. Astel, mother of Shorty Astel, who passed away Thanksgiving Day at the age of 86. Her home was in Rosetville, and interment was at Montpelier, Idaho. We are all very sorry to hear of this loss and all of the community sympathies with the Astel family.

Way Off

Richard Astel is now in Germany with the paratroopers, and likes it over there, at least for a change. Phillis is with the air force in Florida.

The Snowy South

Saturday morning, 9 a.m. and the sun is shining beautifully, temperature 15 degrees. Just heard a weather report, raining in southern California, three inches of snow at Mount Wilson, just above Pasadena, what fun. Now our friends that came up last week to ski can tramp up the mountain side and come down lickety-split, and land in the yard of the Williams who are pretty close to the mountain.

Strays

Butch Beavers is back from a trip to Las Vegas where he was on business. Don McPherson one of our former residents was up here also on business. Ray Riley of the Crystal Bay Club is back from quite a stay in Pasadena, where he visited his mother and Kenny, his brother, he is glad to be back and Deputy Sheriff Angelo Shiaratti is back on duty after a short vacation.

Packages

Besides George Geramoni who runs package runs from the bay area to the lake and takes his clients to the Tahoe Biltmore for meals, etc., there are three gentlemen that I had the pleasure to meet. They are John P. Jenkins, Elmer S. Benedict and William P. McGarry who call the Garry Enterprises "Sierra Holiday Ski Program," with headquarters on the lake at the Crystal Bay Club

New Home

A beautiful new home is being built on the golf course by Homer M. Hayward who also owns a home in Carnelian Bay. Their winter home is in Salinas.

Twirlers

Johnny Levra says the Tahoe Twirlers had a wonderful beginners' class in the Community Center in Tahoe City last Friday night. There may be more held in the recreation room of the Marina Hotel in Tahoe City. Johnny wants to tell the folks that dancing is being held in the Carpenter's Hall every first, second and fourth Saturday and invites you to attend.

At 9 a.m. this Saturday morning I think I was bragging about the beautiful sunshine. Well it's gone and in its place is a light snow falling, which I am sure delights the motel and ski resort owners, after such a long stretch of dry and pleasant weather.

QUARTER'S SALES IN COUNTY $4,982,000

SACRAMENTO (CNS)—Taxable sales in Nevada County for the second quarter in 1956, amounted to $4,982,0000, the state board of equalization announced today.

Sales tax to the state equalled $149,460.

Continuing expansion of business activity brought the volume of transactions subject to the California retail sales and use taxes between April 1 and June 30 to an all-time second quarter high of $4,739,199,000.

These taxable transactions are greater by nearly $263,000,000 than the comparable figure for the second quarter of 1955.

Producing $142,175,970 in taxes, these transactions raised the 1955-56 fiscal year total for self-assessed sales and use taxse to $562,513,530. This figure is greater by $6,000,000 than the 1954-55 self assessed remittances.

Additionally, board assessed sales and use taxes, interest, and penalties on unreported or taridly reported taxable transactions during the fiscal year amounted to $12,739,941.

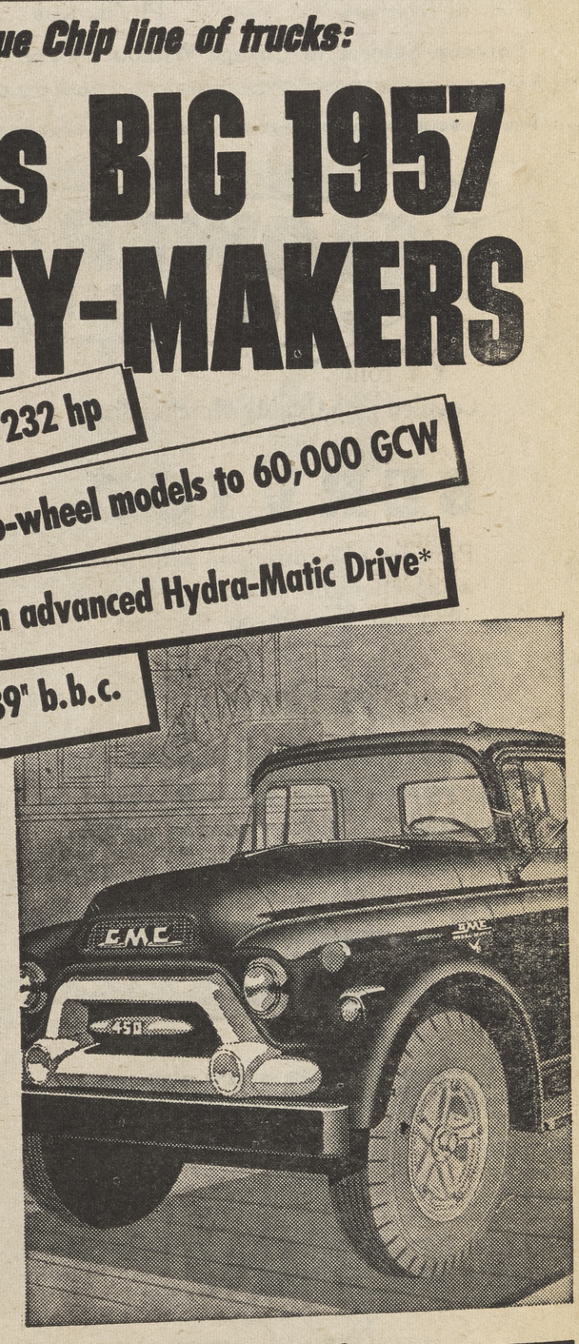
"IT'S THE WATER" THAT MAKES IT SO REFRESHING
E-22

Here comes the Blue Chip line of trucks:

GMC's BIG 1957 MONEY-MAKERS

With new V8's to 232 hp
With 4- and 6-wheel models to 60,000 GCW
With advanced Hydra-Matic Drive*
New cabs with 89" b.b.c.



THESE '57 GMC's are going against the amazingly low cost records set by their famous '56 versions.

But—as you can see—they've got plenty to smash those records with!

In fact, these Blue Chip advantages are in 36 models that can be practically *custom-built* for their jobs.

What you need, we sure have got. Call us—and we'll have a man over to prove it!

**Standard on some models; optional at moderate extra cost on others*

See us, too, for Triple-Checked used trucks

TRUCKEE TIDBITS

By SWANEE
(Phone Truckee 188)

Rev. and Mrs. Wesley Osman and children left the first of this week for a two-weeks vacation. They planned first a visit at the home of his brother and wife, Mr. and Mrs. Curtis Osman of Long Beach, and will then find a spot in which to relax for the balance of their vacation.

* * *

Rev. Osman presided at the meeting called on Thursday evening last in the basement of the Truckee Community Methodist Church which had present representatives from Tahoe City, Truckee and Kings Beach. Purpose of the discussion was to determine opinions as to the feasibility of requesting a paid recreational director for this area from the high school board. Present were Mr. and Mrs. Jack Farris and Mr. and Mrs. Robbie Robinson of Kings Beach; Mr. and Mrs. Paul Horvock of Tahoe City; Bob Trask, Russ York, Stan Drakulich, Joyce Hallett, Joyce Slate, Eve Hallett and Eleanor Swanson. Adult advisors of the newly organized High Sierra Youth Recreation Club present were Messrs. Robinson, Horvock, Drakulich, York, Mrs. Eve Hallett and Rev. Osman.

The evening's discourse brought forth a number of facts. Among them the admission that the program as now planned for the teen-agers seems to be attracting the group up to 14 years of age more successfully than those for which it was originally planned. From 14 on up through high school. In all districts there is the same complaint that only a small percentage of parents can be relied upon to appear at the meetings and offer their aid and cooperation. It was generally agreed that the teen-agers themselves must show enough interest in a program to make it a success, that their elders without their cooperation cannot hope to make any appreciable headway. It was also agreed that a club or organization should sponsor the youngsters in each community and unless a worthwhile program with responsible persons behind it can be presented the board at thetime the request is made the outlook does not appear optomistic.

The group voted to hold a meeting on Wednesday night, January 9, in Tahoe Community Center at 8 p.m. at which time plans will be completed for the community get-together and "Sock-Hop," with refreshments, proposed by Stan Drakulich at an early date in the high school gym. The "Sock-Hop" is a necessity as the floors have recently been beautifully refinished and shoes and boots would ruin them. It is also proposed that the ladies and teen-age gals wear their prettiest ginghams, and the men and boys their jeans. There will be door prizes. One for the adults, one for the teen-agers and tickets will be on sale at a very "nominal" charge. Mr. Drakulich proposed, and the idea was unanimously accepted, that any or all of the $100 donation made to the recreation fund by W. E. Gray, Kings Beach realtor, following the winning of the first football game, be spent to make the dance a real occasion for parents, faculty and children to become better acquainted, and possibly create a better understanding among them. Should any money be made above expenses it would be returned to the recreation fund. The new teen-ager club includes all children attending Tahoe-Truckee Unified School embracing the districts of Tahoe City, Kings Beach, Truckee, Floriston and Donner Summit and all are invited to participate in its activities.

It was voted unanimously that a committee of three, Paul Horvock, chairman; Russ York and Robbie Robinson would appear before the high school board on Tuesday evening, January 8, at their regular monthly meeting, to present the request for the paid recreation director, who, it is believed, would straighten out the kinks in the program for the teen-agers and aid in the creating parental and teen-age interest and cooperation. Endorsement of local clubs and prominent businessmen will be sought if the plan succeeds.

* * *

A recent guest at the home of Mr. and Mrs. R. E. McQuary, Jr., of Truckee was Mrs. McQuary's mother, Mrs. E. W. Roberts of Concord.

* * *

Mr. and Mrs. Mel Thornton and son, Bill, spent the past weekend in Sacramento where they visited the Jack Thorntons and baby daughter, Marta, now eight months old. Bill is due for a minor operation at the Shriner's Hospital in the bay area as soon as he becomes once again cold-free. He recently almost recovered from a bad cold and flu only to catch another. Here's wishing him good luck!

* * *

The many Truckee and Tahoe friends of Mrs. Bob Tonini of Tahoe City have visited at her bedside faithfully since she entered Tahoe Forest Hospital where she is seriously ill. Her sister from Creston, Iowa, Mrs. Elmer Johnson arrived on Saturday morning last and materially bolstered the patient's morale. Sincere wishes for an early recovery are wished for her.

* * *

Major Robert Edwards took his wife to Tahoe Forest Hospital on Monday evening. She underwent surgery on Tuesday morning. The best wishes of her many friends and neighbors for a speedy recovery are also extended her.

* * *

Two of Truckee's male populace observed birthdays on Saturday, January 5, same being Billy Campbell and James Pringle. The latter returned on Thursday evening from a most enjoyable vacation in the southland, where he visited for ten days at the home of his parents, Mr. and Mrs. Ray A. Pringle of Costa Mesa. His companion, James Morhain, is nursing a badly sprained wrist which he acquired by lifting a heavy object more than a week ago.

* * *

Two Truckee men have gone to the Southern Pacific Hospital in San Francisco for medical check-ups. Both left on Sunday via train. Sam A. Follett, retired S. P. employee, was accompanied by R. P. Bick. He has been in poor health for the past few weeks. John Moretta, who has also been ailing, took the same train down.

Back From Vacation—
Mr. and Mrs. Roy Thompson of Soda Springs returned this week from a vacation spent in San Diego and other southern California cities.

Visiting Daughter—
Mr. and Mrs. T. L. Coulter of Jefferson, Oklahoma, have been visiting here with their daughter, Mrs. Vina Klepper and daughter, Denise.

Attend Funeral—
Mr. and Mrs. Robert G. Leamon were among the local people attending funeral services in Reno yesterday for George C. Schweis.

POLICE QUESTION MURDER SUSPECT

RENO — Oakland police arrived in Reno Monday to question a 36-year-old Squaw Valley welder who may be a suspect in a November 30 arson-murder.

Police booking records identified the suspect as James Lee Calloway. He was arrested at a local bus depot. Oakland police have wanted him for questioning ever since a boarding house fire in Oakland claimed the life of his roommate, Roy Willis, a 26-year-old short order cook.

Detective Capt. William Broadhead said he questioned Calloway briefly. He said the man denied any implication in the fire, and insisted he was at a party when when it broke out.

Oakland authorities said Calloway skipped town without collecting his personal belongings after the fatal blaze.

Another tenant in the Oakland rooming house allegedly heard Wills arguing with another man before the fire. He identified the second man's voice as Calloway's.

Police in Oakland said Calloway is a former mental patient.

Tarzan

by EDGAR RICE BURROUGHS

THE WITCH DOCTOR HAS JUST EXHIBITED TARZAN'S KNIFE--AND ACCUSED HIM OF ATTEMPTING TO KILL KATHY!

THE WITCH DOCTOR'S EYES NARROWED. "I PRESUME THAT YOU DENY THE CHARGE OF ATTEMPTED MURDER?" TARZAN FLARED, "OF COURSE! THIS IS A CONSPIRACY!"

THE NATIVE GLANCED CONTEMPTUOUSLY AT THE THREE MEN. "VERY WELL," HE HISSED. "THEN YOU *ALL* MUST DIE!"

SUDDENLY WALTER LUNGED FORWARD, GRABBED THE KNIFE AND TURNED IT ON THE WITCH DOCTOR...

BLOODY CHAOS FOLLOWED--FOR NOW TARZAN AND JOE RICE WERE FORCED TO CLASH WITH THE NATIVES IN A FRANTIC BATTLE FOR SURVIVAL!

AN AVENGING WARRIOR RACED IN AND STRUCK DOWN WALTER KEYS!
